TTTTT

Alongside every hotel in this brochure, you'll see our T rating.

### T ratings

Because traditional hotel star ratings differ from country to country, we provide our own tried-and-tested TUI ratings to help you compare.

They're based on the hotel's facilities, location, general atmosphere, and feedback from customers just like you.

### Free Child Places

We've got 1,000s of **Free Child Places** across our selected hotels. Each Free Child Place includes standard flights and a free stay in the selected hotel room with two full-paying adults.

And they get all the same facilities and board basis that would usually be included for a paid spot. You can scan the above QR code to use our online **Free Child Places** finder.

Page 66

### Better holidays, better world

At TUI, we're committed to doing our bit to help the planet. From getting rid of plastic straws on our cruise ships to collaborating with local communities, we're helping to make the world a greener and fairer place, while still taking you to loads of exciting destinations across the globe. See page 66 for more details.

### You're onto a winner

Earlier this year, we proudly celebrated another win at the **Irish Travel Industry Awards**.

For the second year running, we took home the award for **Best European Tour Operator of the Year** and our sister brand Crystal Ski won **Ski Tour Operator of the Year**.

The award ceremony is designed to showcase excellence and acknowledge outstanding performance in the travel and tourism industry with the awards being voted by the travel trade.

### FOODIE FAVOURITE

All of our TUI BLUE hotels with the Adults Only tag deliver a buffet restaurant and a fine-dining speciality restaurant, so foodies have plenty to tempt their taste buds. But some take it up a level. Take Crete's **TUI BLUE Elounda Village**, for example. This place really makes the most of its picturesque spot.

The Culinarium deals in romantic dinners al fresco-style, next to a pretty Greek Orthodox chapel. And the menu matches the setting – you can expect to see Cretan specialities on offer, along with traditional Greek dishes. Sea views are a given here, too – and the same can be said for the hotel's other three restaurants. Plus – like most of our TUI BLUE hotels with the Adults Only tag – there are weekly themed nights, where you can get dressed up, watch traditional dancing and tuck in to tasty local fare.

# Take time for two

A peaceful environment, laidback activities and grown-up dining are all guaranteed at our **TUI BLUE** hotels with the Adults Only tag. To give you a taste of what else is on offer, here are some of the best in class...

### PAMPERING PAIR

At our TUI BLUE hotels with the Adults Only tag, it's all about unwinding, with lots of our properties offering spa treatments using homegrown, local ingredients. The **TUI BLUE Barut Andiz**, in Side, has weaved local Turkish olive oil into one of its massages. Here, olive trees outweigh the population, so it's only fitting. Plus, the health benefits speak for themselves – it fights acne, soothes sunburn and moisturises the skin. Extra relaxation also comes in the form of the hotel's rooftop Jacuzzi®.

Meanwhile, our new hotel opening in Izmir in May 2024, the **TUI BLUE Angora Beach**, has classic and hammam massages, giving you some uninterrupted me-time. And in Cyprus, you can channel your inner Cleopatra with a donkey milk bath at the **TUI BLUE Atlantica Bay**. The Egyptian queen believed it kept her skin soft and wrinkle free.

### TOURS FOR TWO

Our TUI BLUE hotels with the Adults Only tag are sprinkled all over the globe, from Majorca to Mexico. And you can explore on an experience – lots of them have even been designed for adults. In Croatia, you can sign up for the Village Dinner and Dancing tour. You'll experience the country's traditions first-hand, with a homemade dinner, dancing and music in the rustic village of Juretini Dvori. If you're in Zante, Corfu or Halkidiki, you can soak up the sunset views on an adults-only cruise. And in Majorca, a tour of its countryside wineries is top of the list. Wherever you're staying, you can also join in with the likes of cooking classes, language lessons and tastings back at your hotel.

These range from Turkish cooking lessons at the **TUI BLUE Seno**, to wine tasting and pasta making at the **TUI BLUE Nastro Azzurro**.

# Slide into SplashWorld

If you like your holidays with plenty of H2O, you'll love our SplashWorld hotels, which include free unlimited access to a top-rated waterpark. Here are some great things about this slide-packed collection of hotels...

### FLIP FLOP TO THE PARKS

Many of our SplashWorld hotels have a stellar waterpark onsite. But if they don't, we put on a free shuttle bus to get you there in no time. Either way, you can ride the slides as often as you like.

### TRIED-AND-TESTED

Not every average-Joe waterpark makes the SplashWorld cut. We only want the crème de la crème. So we try them out first-hand to make sure they're up to scratch. You can expect to splash about at some big dogs, like Tenerife's Siam Park and Aquatica on the isle of Kos.

### SLIDE ROULETTE

Chutes, racers, tubes – these usual suspects are just the start of the story. Daredevil teens will love adrenaline-rush bad boys like black holes and kamikaze slides, while families can race each other on the multi-lane slides. If you're not into big rides, there are the lazy rivers, wave pools and splash zones, too.

### GUILT-FREE TREATS

It's not just waterparks that are included. Lots of the hotels are All Inclusive, too. Afternoon ice-cream? Sure. Cocktails? Go ahead. You can treat yourself to all sorts, without having to dip into your wallet once.

### SPLASHING ALL OVER THE WORLD

We've got an impressive collection of hotels and waterparks, which are based all over the globe. You can stick close to home with Greece and Spain, stray a little further for some sun in Turkey, or splurge on a trip to the Dominican Republic.

## TUI kids' club

You'll find our action-packed kids' clubs in a squad of SplashWorld hotels. Minis – for 3 to 6-year-olds – and Maxis – for 7 to 12-year-olds – line up fun games and activities. And they're run to the highest standards, so you can sunbathe worry-free.

# 4 things to love about a LAKES & MOUNTAINS holiday

Lakes & Mountains holidays are all about exploring towns and villages full of tradition, getting wonderfully lost in new cultures and making the most of your surroundings, from mountain tops to lake shores.

Here are four of our favourite things about a getaway like this.

## PINCH-ME VIEWS

## REGIONAL FLAVOURS

From freshly caught fish in a waterfront café to dumplings in a hillside hut, nothing beats the taste of a local speciality. And the tipples are often from just around the corner too, so you can sip a glass of wine with a vineyard view.

## AUTHENTIC EXPERIENCES

Go at your own pace as you discover gardens, waterfalls and villas fit for royalty. And say 'hello history' in cities like **Venice, Verona** and **Salzburg**, on day trips that'll last a lifetime. You can even see all the best bits on a guided TUI experience.

## LOCAL STAYS

Choose from hotels and family-run guesthouses where the staff really know their stuff – chat to them and you'll soon have tips about everything from the best walks to top spots for coffee and ice-cream.

At TUI, we believe in responsible travel. In fact, our ever-growing range of **Green & Fair** hotels helps us support local communities in our destinations, look after the environment and create holiday memories in a way that tries to minimise any impact on Mother Earth.

## WHAT ARE GREEN & FAIR HOTELS?

Green & Fair hotels have been recognised by an independent organisation for their sustainability standards, according to criteria set by the Global Sustainable Tourism Council (GSTC). The GSTC Criteria works as a worldwide standard in sustainability that all hotels should strive for, and is focused around four key areas:

- ✔ Sustainable management
- ✔ Environmental protection
- ✔ Social and economic support of the local community
- ✔ Recognising and promoting cultural heritage

If a hotel has earned a certification that shows it complies with the GSTC Criteria, we award it with a Green & Fair label. This badge of honour not only shows off hotels with more planet-friendly practices, it also makes it easier for you to make more sustainable holiday choices. Just look for the Green & Fair label when you're browsing for your next getaway.
