We've been listening to our customers wanting to book Lapland far in advance, so this year in response to the growing demand, we've launched our Lapland Winter 2024 programme earlier than ever before. The programme includes enticing three and four-night stay trips, as well as the popular daytrips to Kittilä all throughout December 2024.

The hunt for your perfect holiday begins right now – we hope you're as excited as we are. Here are a few things you might want to know...

TTTTT

Alongside every hotel in this brochure, you'll see our T rating.

Because traditional hotel star ratings differ from country to country, we provide our own tried-and-tested TUI ratings to help you compare.

They're based on the hotel's **facilities, location, general atmosphere**, and feedback from customers just like you.

Free Child Places

We've got 1,000s of **Free Child Places** across our selected hotels. Each Free Child Place includes standard flights and a free stay in the selected hotel room with two full-paying adults.

And they get all the same facilities and board basis that would usually be included for a paid spot. You can scan the above QR code to use our online **Free Child Places** finder.

Better holidays, better world

At TUI, we're committed to doing our bit to help the planet. From getting rid of plastic straws on our cruise ships to collaborating with local communities, we're helping to make the world a greener and fairer place, while still taking you to loads of exciting destinations across the globe. You're onto a winner

Earlier this year, we proudly celebrated multiple wins at the **Irish Travel Industry Awards**.

Holidays that are far away

Some of the world's most sought-after holiday spots come to the fore if you clock up a few extra air miles. From South-East Asia to the Caribbean, here's what we offer...

BALI

Bali isn't called the Island of the Gods for nothing. Despite the laidback approach to living, there's still plenty of buzz here. And, you'll never get bored with the sheer range of natural delights.

With black-sand beaches on the east coast, volcanoes at the highest peaks, and nightlife that contrasts with the holy temples you'll see in the daytime, there's no end of ways to fill your time on this Indonesian island.

TOP THINGS TO DO

From monkey-filled forests and ancient temples to beautiful beaches and buzzing bars, holidays to Bali have all-round appeal. Spend your days exploring liquorice-black beaches and cloud-shrouded volcanoes. Island-hopping boat trips are a doddle from here, too – Bali's just a boat ride away from the party-hard Gili islands, go-slow Lombok, and Komodo.

BEST TIME TO VISIT

During the dry season, between April and October – the heat averages in the mid-20s.

✈️ **Flight time:** 16 hours*

✈️ The approximate flight times shown here should be used as a rough guide only, as they can vary. All times are based on Dublin departure.

MAURITIUS

At first glance, Mauritius looks like a close relative of the Caribbean Islands. Around 1,200 miles from the east coast of Africa, the island is hemmed by 330km of immaculate white beaches and once you look beyond the beaches, you'll find a trove of natural history.

TOP THINGS TO DO

The sightseeing comes thick and fast in Mauritius. Wreaths of rainforest, white sand beaches, and national parks top the list of natural hotspots.

BEST TIME TO VISIT

Between October and December when the temperature hovers around the mid-20s and has low rainfall.

✈ **Flight time:** 15 hours*

CROATIA

Croatia holidays get an A+ in every category, whether you want to brush up on history, wear in your walking boots or just recharge your batteries by the beach.

TOP THINGS TO DO

Croatia offers up a range of beaches, so there are plenty of places to soak up the sun, but if you are looking for something more adventurous then explore Dubrovnik's old town walls, spot dolphins off the coast of Rabac or sail around the Elaphite Islands.

BEST TIME TO VISIT

June to August when the temperature averages mid-late 20s.

✈ **Flight time:** 3¼ hours*

MALDIVES

Think exotic, think the Maldives. These tiny islands in the Indian Ocean come loaded with waters their own brand of blue, blindingly white sands, and rows of palm trees that stand to attention along the shoreline.

TOP THINGS TO DO

Boat trips, paddleboarding and exploring the coral reefs should be high on your to-do list. Of course, you can't go to the Maldives without experiencing romantic sunset dinners. They are expensive, but the experience alone is worth the cost.

BEST TIME TO VISIT

December through to April, when temperatures crank up to around 30°C.

✈ **Flight time:** 14 hours*

You can also head off to Dominican Republic, Thailand, Zanzibar and more on a TUI holiday that uses third party flights. Head to tuiholidays.ie or ask your Travel Advisor to find out more.

Make your way to Mexico's Caribbean Coast

Holidays to the Caribbean coast of Mexico are about more than just picture-perfect beaches, although the soft white sands are definitely a major draw. This part of the country is bursting with natural wonders and historical sites, making it one of the best destinations in Mexico for a memorable getaway.

PICK OF THE RESORTS

CANCUN

Holidays to Cancun pack plenty in. There's the downtown area with markets and local cantinas, and then you've got the Hotel Zone with restaurants, shopping malls and nightclubs – and an extra-long strip of beach.

RIVIERA MAYA

You can head for the Riviera Maya and do nothing but sip cocktails on tropical beaches. But there's so much more on offer. Mayan ruins, eco parks, world-class diving are all on the cards along this 30-kilometre stretch of coastline.

PLAYACAR

Playacar is the jewel of Mexico's Mayan Riviera. Just south of Playa del Carmen on the Yucatan peninsula, it's an exclusive gated community of luxurious hotels and trendy condo complexes. And, it's got its own world-class golf course.

TULUM

Tulum holidays are Mayan-meets-modern. Despite its time-stamped ruins, it's got a 21st-century vibe, with a town full of veggie restaurants, yoga studios and shops.

Spotlight on Cancun, Mexico

Cancun's cover star may well be its silky-soft sands. But there's way more to this place beyond its beaches – here's our lowdown of the best things to do in Cancun...

We've checked out what Cancun has to offer aside from its best-in-class beaches. Let's just say, we liked what we found – and we reckon you will, too. The trio of trips that we're putting on a pedestal are guaranteed to be a great day – or night – out. They're all available on [gotui.com](https://www.gotui.com) at a time and date that suits you. Book before you're due to go, or while you're on holiday.

JUMP IN AT MEXICO'S NATURAL WATERPARK

Mexico's natural waterpark is just short of two hours' drive from Cancun. And with a pulse-racing activity line-up that makes most theme parks look like a stroll in the park, we think it's well worth the journey. Adrenaline-filled adventures come in the shape of lengthy zip lines across the park's river and huge cliff jumps. Plus, if you're feeling really brave, you can swing from a rope straight into a cenote. It's not all about heart-pumping activities though. Things are kept at a much slower pace elsewhere, where you can hop on a rubber ring and head for a relaxing ride around a river. Or, head for a Mayan-style massage in the park's spa*.

*You'll have to pay a little extra for this.

GRAB YOUR SNORKEL AND CHECK OUT ISLA MUJERES' CORAL REEF

It's all aboard a catamaran for this day out, as you'll be heading to picture-perfect Isla Mujeres, just off the coast of Cancun. There's time to relax on deck, before the boat drops anchor close to the island's mega-sized coral reef. Then, there's a chance to don your snorkel and prepare to check out the reef's residents. This place is the second-largest coral reef in the world, and it's home to a rainbow-coloured assortment of wildlife. Back onboard, there's an open bar, and lunch is included, too.

HAVE A BIG NIGHT OUT AT COCO BONGOS

It's easy to see why Coco Bongos continually tops the ratings when it comes to nights out in Mexico. This adults-only event packs confetti cannons, aerial-acrobats, and bar-top conga lines all into one night. Expect to hear live bands and DJ sets pumping out music ranging from 70s classics to up-to-date hits. And, with a gold ticket, you'll be treated like a VIP from start to finish. Perks include express entry, an open bar and a reserved table above the crowds. Plus, there's a waiter on hand who'll bring drinks to your table all night long.

SplashWorld

Slide into SplashWorld

If you like your holidays with plenty of H2O, you'll love our SplashWorld hotels, which include free entry to a top-rated waterpark. Here are some great things about this slide-packed posse...

FLIP FLOP TO THE PARKS

A good helping of our SplashWorld hotels have a stellar waterpark onsite. But if they don't, we put on a free shuttle bus to get you there in no time. Either way, you can ride the slides as often as you like. On your marks, get set...

TRIED-AND-TESTED

Not every average-Joe waterpark makes the SplashWorld cut. We only want the crème de la crème. So we try them out first-hand to make sure they're up to scratch. You can expect to splash about at some big dogs, like Tenerife's Siam Park and Aquatica on the isle of Kos.

SLIDE ROULETTE

Chutes, racers, tubes – these usual suspects are just the start of the story. Daredevil teens will love adrenaline-rush bad boys like black holes and kamikaze slides, while families can race each other on the multi-lane slides. If you're not into big rides, there are the lazy rivers, wave pools and splash zones, too.

GUILT-FREE TREATS

It's not just waterparks that are included. Lots of the hotels are All Inclusive, too. Afternoon ice-cream? Sure. Cocktails? Go ahead. You can treat yourself to all sorts, without having to dip into your wallet once.

SPLASHING ALL OVER THE WORLD

We've got some gong-winning hotels and waterparks on our books. And they're based all over the globe. You can stick close to home with Greece and Spain, stray a little further for some sun in Turkey, or splurge on a trip to the Dominican Republic.

TUI kids' club

You'll find our action-packed kids' clubs in a squad of SplashWorld hotels. Minis – for 3 to 6-year-olds – and Maxis – for 7 to 12-year-olds – line up fun games and activities. And they're run to the highest standards, so you can sunbathe worry-free.

Have a flick through to find the SplashWorld for you...

Holla at Holiday Villages

First-rate thrills, fab academies and a full house of activities – Holiday Villages don't mess about when it comes to family fun. These hotels knock it out of the park with inflatable pool games during the day, belting shows in the evening, and bits for mums and dads in between.

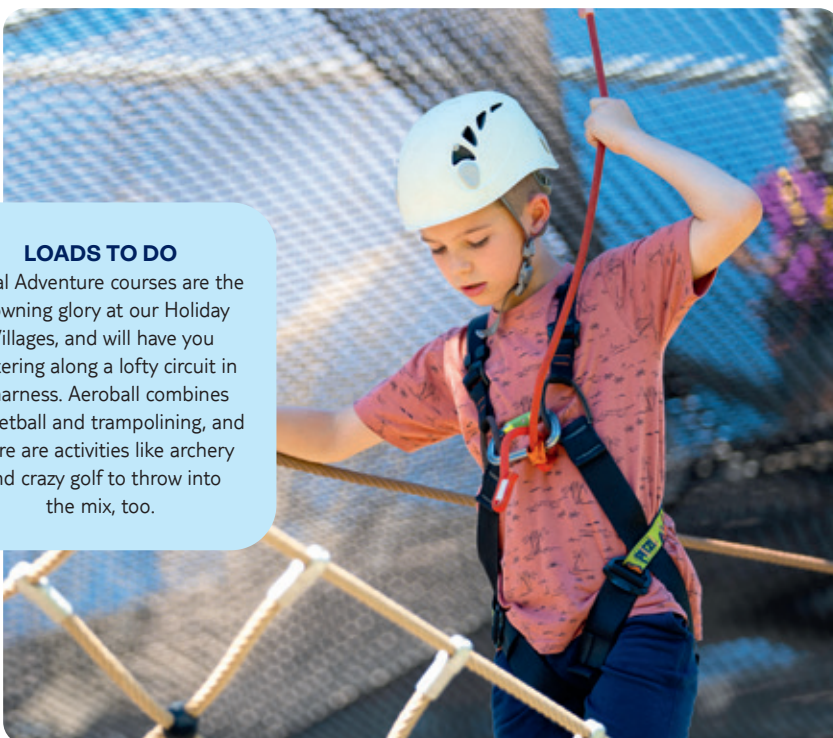

Here's all the need-to-know info...

LOADS TO DO

Aerial Adventure courses are the crowning glory at our Holiday Villages, and will have you teetering along a lofty circuit in a harness. Aeroball combines basketball and trampolining, and there are activities like archery and crazy golf to throw into the mix, too.

HV CLUBS

Our three HV Clubs are tweaked for different age groups. The HV Creche covers little'uns from 0 to 35 months, and the HV Club's split into brackets for 3 to 5s and 6 to 8s. HV Crew completes the line-up, with outdoor activities for 9 to 12s and 13 to 17s.

FOOD FOR THOUGHT

Our buffet restaurants stock bits to suit all palates, whether you're after home favourites, healthy options or local specialities. Fine-dining's on the cards, as well – every Holiday Village has at least two themed à la carte eateries.

MAKING A SONG AND DANCE

From get-up-and-groove Party Dances to performances by entertainers, evenings are never dull. Our Holiday Village mascots, the **Widgets – Gizmo, Doobley** and **Whatsit** – hit the stage and bust a few moves during the funky displays, as well.

THE HV APP

Download the HV app onto your phone and you can get your mitts on a bunch of extra info. For example, you can use it to register your sprogs for any activities they want to try out, see what's going on around your hotel, have a gander at the restaurant line-up, and read up on what you can do in the local area.

— SKI HOLIDAYS —

THERE'S MORE TO THE MOUNTAIN

Think a ski holiday's just about skiing or snowboarding? Think again. It's fresh snowfall, 'pinch me' views and feeling on top of the world. Bar time, spa time and snowy adventure time. It's whatever you want it to be.

Head to a mountain hut for lunch on the terrace and sunny views. You'll be reaching for your camera between forkfuls of homemade dishes. Don't forget to snap your ski team selfie to share on social too - there'll be plenty of photo ops chatting on the chairlift, skiing in your gear and relaxing in the hot tub.

A ski trip isn't complete without a bit of après. You can take it easy with a steamy mug of mulled wine while you watch other skiers make their final turns down the slopes. Or head to where the party's at, 'cheers' to the sun setting on a great day and listen to oompah bands or dance on tables to catchy Europop tunes.

And for the cherry on top of any winter holiday, take your pick from activities like zipline rides, snowmobile drives and ice kart racing. Or to appreciate the views at a slower pace, you can hire snowshoes to plough over mounds of the white stuff on a winter walk or take to the skies and paraglide over the valley.

We've been taking people to the mountains for over 40 years and we're also part of TUI. Start your journey to the slopes at crystalski.ie

Stay sustainably with Green & Fair

At TUI, we believe in responsible travel. In fact, TUI Group has long been recognised as a leader in sustainable tourism. In particular, our ever-growing range of **Green & Fair hotels** is continuing to help us support local communities in our destinations, look after the environment and create more sustainable holiday moments.

WHAT ARE GREEN & FAIR HOTELS?

Green & Fair hotels have been recognised by an independent organisation for their sustainability standards, according to criteria set by the Global Sustainable Tourism Council (GSTC). The GSTC Criteria works as a worldwide standard in sustainability that all hotels should strive for, and is focused around four key areas:

- ✔ Sustainable management
- ✔ Environmental protection
- ✔ Social and economic support of the local community
- ✔ Recognising and promoting cultural heritage

If a hotel has earned a certification that shows it complies with the GSTC Criteria, we award it with a Green & Fair label. This badge of honour not only shows off hotels with more planet-friendly practices, it also makes it easier for you to make more sustainable holiday choices. Just look for the Green & Fair label when you're browsing for your next getaway.
